STATE FARM POLICYHOLDERS!

If you've received bad news about your State Farm property insurance policy being non-renewed, the good news is **WE ARE HERE TO HELP!**

As an independent agency, we are not employed by any carrier and are free to shop the market for the best deal that suits all of your needs. While we recommend you wait until you receive the legally required 180-day notice from State Farm, if you would like to start weighing your options now, we're glad to help.

We also offer a variety of other coverages, such as auto, personal umbrella, flood and more, and we can often provide you with discounts for multiple policies with the same company – **all with the service you deserve at a price you can afford.**

As a Trusted Choice Independent Agent, we have taken a special pledge to provide top tier 24/7 service to all of our customers. To read about our pledge and the Trusted Choice commitment, go to www.trustedchoice.com. When you need a quote for your property insurance, contact:
